FIRST CALVARY BAPTIST CHURCH

## 2012 PARENT - TEEN CONFERENCE

with special guest Dr. Les Ollila

"Giving all diligence, add to your faith..."

2 Peter 1:5

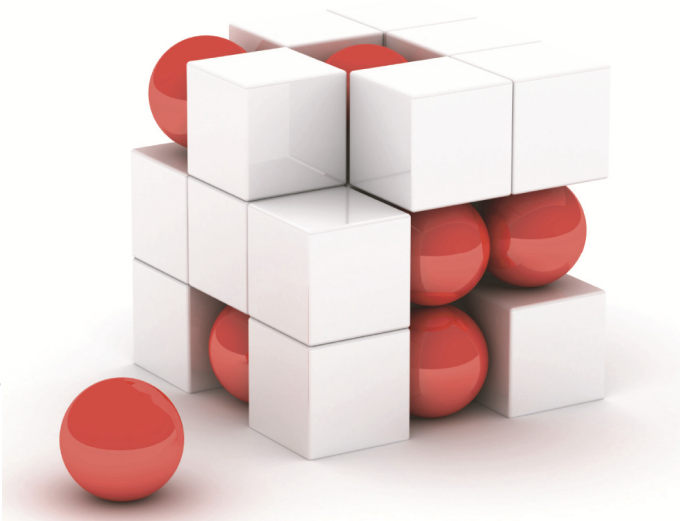

# CONFERENCE OVERVIEW

There are times in life when the walk of faith seems quite frustrating and almost futile to us. Maybe it's your attempt to take a stand for righteousness only to see that effort "backfire" and land you in a sea of relational "hot water". Or, perhaps it's a personal decision to really get serious about spending time with God each day which, after much forethought and effort, lasts only for a week or two. Let's face it, living out your faith on a daily basis may seem as difficult as trying to fit a square peg into a round hole. But God doesn't leave us with an empty exhortation. In fact, His command to live for Him is preceded by the promise that He has provided for us absolutely everything we need for a diligent pursuit of godliness in this new life to which He has called us.

Join us on January 27-28, 2012 as Dr. Les Ollila and a host of local area pastors help us refocus our attention on the Word of God as we strive to learn how to add key components to the faith-filled life. Space is limited so register now.

The goal of the Parent-Teen Conferences at First Calvary Baptist Church is to equip both parents and their teens with the biblical tools that are essential for strengthening their relationships with family, friends, acquaintances and God.

If we can be of any help to you or your family in this area, do not hesitate to ask. We look forward to seeing you at the 2012 "Add to Your Faith" Conference.
