The Harmon's

Praise

- For seeing children hide God's Word in their hearts
- For an encouraging National Ladies' Congress in October
- For our daughter Sofia's recovery after a burst eardrum
- For new funds for remodeling the church building
- For Katya, the doctor from Cuba, integrating with our church
- For your tangible and intangible prayers and support

"Bless the Lord, O my soul, and forget not all his benefits" (Psalm 103:2). The last few months have given us many benefits or blessings for which to be thankful.

Perfect Memory

Our Sunday school classes met the challenge of memorizing God's Word. After much effort, five children completed the challenge of memorizing 20-25 verses according to their age bracket. Since Uruguay is very secular, it is of utmost importance that the young hide God's Word in their hearts. It was a delight to see their faces light up when they received their giant chocolate bars and bonbons.

Piano

Years ago, Jo Anna was encouraged by her parents to learn to play the piano. Over the years, our ministry has been greatly blessed by her music. During the pandemic, it was almost impossible to find a piano tuner. Recently, this was remedied. Please pray for Jo Anna's four piano students. At a recent recital, we met four new people and were able reach out to a retired piano teacher. Although these opportunities are brief, we praise the Lord for the privilege to share real and lasting truth.

Precious Family

Please pray for Daniel, Carolyn and Tobias Rojas as they travel to the US on November 20. Pray that the Lord would provide for them as they seek to raise support to alleviate financial hardships. We will be providing pulpit supply at their church during their absence.

Thank you to those who have expressed interest in our daughter while she is stateside. Pray for health and strength as she finishes this busy semester. You can encourage her at:

Annual National Ladies Meeting

After months of hard work by a group of five churches, one hundred and sixty-one people attended this two-day event from all over Uruguay. The theme was "Daughters of the King." A missionary wife from Argentina was the guest speaker. Praise the Lord for the great time of fellowship between churches and the opportunity to encourage some of God's choice servants.

Property and People

We praise the Lord for our new church building in downtown Durazno. I guess you could say we are an inner-city church ministry, now. Ha! The building is a solid structure with over 100 years of service. As such, it needs repairs and remodeling so that it will be better suited for ministry. Although much needs to be done, we praise the Lord for allowing us to already meet in the new facility. During one of our first services, a doctor from the ambulance service next store popped in. Later, we found out that she was excited to see that we use same hymnbook that her former church in Cuba uses. These hymnbooks were purchased several years ago for our ministry by a church in northern Minnesota. Katya said we are a direct answer to her long-standing prayer to be able to attend a Baptist church.

Please

Please pray that contacts from our neighborhood would not get lost, and that God would bring more hungry souls to be saved and be part of Bible Baptist Church. On November 2, the Day of the Dead, we distributed literature, this time with the church's permanent address. We sow, but it is God who brings the increase as we are faithful to Him.
