CHRISTMAS GREETINGS TO YOU ALL! The Lord has granted us one more year to celebrate His birth. The Son of man is come to seek and to save that which was lost. I am thankful that He sought me and bought me with his redeeming blood.

The Shiloh Baptist Bible College has celebrated Christmas on 15th along with the Local Church. The Lord had brought many visitors to the celebrations and we thank God for the opportunity to preach and proclaim about Jesus and the purpose of His birth. There were over two hundred people, among whom there were quite a bit of unsaved visitors. Please pray for the seed that was sown, that it would multiply in the hearts of the people.

Christmas is the season which we use as an opportunity to reach out our communities with the love of our Lord Jesus. We were able to conduct several semi-Christmas programs in couple of our branch Churches. The latest was in a village called Seripally. We had a Christmas program right in the middle of the street, and invited over the village chief and the other dignitaries from the government. We cut the Christmas cake and had them greet the people. The Lord has given us the opportunity to share the clear gospel to the people including the village officials. We are so thankful that almost all the village got to listen to the message through loud speakers. Please pray for the fruit.

My wife and I prayed for a son, after our wedding in 2004, and the Lord answered our prayer and blessed us with Johanan in December 2005. So this is his last month as a minor. He will be 18 this December. We are so thankful to God for His gracious gift, and we named our son, Johanan, which means God is Gracious. He finished his high school and is intending to apply in International Baptist College and Seminary for his college. He is struggling a bit to clearly understand what the Lord wants him to do. We appreciate your prayers for Joe. God willing we will start the application process soon with IBCS. Please pray that everything would go smoothly - the application process, paperwork and for the Visa.

Please continue to pray for the financial needs of the ministry. Our FCRA is still not yet approved. There are couple of Church building projects that need to be completed also. I appreciate your prayers.

The Lord has opened us the opportunity to come in contact with three different ladies who have been visiting our Church at Toopran since two weeks. My wife and I have been to witnessing to them. Please pray for Lavanya, Lalitha and Rajitha.

Thank you very much for standing with us in the ministry and for your continued support, without which we would not have been doing what we are able to do now. Thank you and God bless you all! Once again, MERRY CHRISTMAS, and A VERY BLESSED NEW YEAR 2025!

Yours in India,
 Solomon, Sandhya, Johanan and Jessika
